1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. Claims 1-3 and 5 are rejected under 35 U.S.C. 102(b or e) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Hof. The rejection is incorporated herein from the first office action. Additionally, as to the amendment to claim 1, it may be noted that emergent portion 24 can be said to form the space in question, since the different material B2 is held in a space within the space formed by emergent portion 24, and since substance B exits the combination shown in Fig 5 through this emergent portion 24.
3. Claims 6-9 are finally rejected under 35 U.S.C. 102(b or e) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Gartner et al. (6,170,654). Gartner discloses all of the elements of the claims including a main body (screw cap 2), a spouting guide member (legs 6 and/or cylindrical section 17 and/or blister pack 23), a cap (mouthpiece portion 11) and a seal closer (frangible seal 5). Additionally, elements of the claims that are per se conventional would have been obvious to provide to the apparatus of Gartner, for the purpose of making it more convenient to use.
4. Applicant's arguments filed 1/13/11 have been fully considered but they are not persuasive.

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jacob K. Ackun Jr. whose telephone number is (571)272-4418. The examiner can normally be reached on Monday through Friday 8.30AM-5.00PM.
